

**College of Agricultural, Consumer, and Environmental Sciences
Mission, Values, and Vision
2010-2015**

Our Mission in the College of Agricultural, Consumer and Environmental Sciences is:
Improve the lives of New Mexicans, the nation, and the world through research, teaching and extension.

Our Values in the College of Agricultural, Consumer and Environmental Sciences encompass the following:

*We deliver **EXCELLENCE** through our commitment to:*

- *Scholarship*
- *Creativity*
- *Resourcefulness*
- *Comprehensiveness*
- *Leadership*

*We are guided by a sense of **INTEGRITY** characterized by:*

- *Trustworthiness*
- *Ethics*
- *Commitment*
- *Accountability*

*Our relationships to people are governed by a belief in **INCLUSIVENESS** through:*

- *Diversity*
- *Collaboration*
- *Accessibility*
- *Responsiveness*
- *Communication*
- *Respect*

*Our relationship to resources and institutions is one of **STEWARDSHIP** that fosters:*

- *Sustainability*
- *Service*
- *Conservation*

Our Vision for the College of Agricultural, Consumer and Environmental Sciences is:

A college where people are engaged in the discovery and delivery of knowledge by preparing innovative leaders in a global society; promoting healthy ecosystems and wise environmental stewardship; fostering healthy communities, families and youth; and advancing productive, safe, and sustainable agriculture, tourism, and food systems, utilizing state-of-the-art resources.

The State of New Mexico is our Campus.
